

Karl Mueller returned to Coronado Unified as Superintendent as of July 2015. Superintendent Mueller is serving as the Coronado Unified Board liaison to the CSF Board of Directors. Raised in San Diego County, he has been an educator in California since 1997 as a teacher, director of a Charter School, and as an administrator for comprehensive public high school students. Karl graduated from Sonoma State University with a BA in History and earned his MA in Education from Point Loma Nazarene. Karl is married to his wife, Lia, and enjoys exploring the world with his two sons, William and Finnegan.

Karl proudly served the staff and students of Coronado High School (CHS) as principal and ROP/CTE director from 2005-20013. At CHS, Karl was passionate about creating opportunities for his students to identify and select, with purpose, placements for '13th Grade' or other academic opportunities. He developed CTE Pathway courses, matriculated courses with local community colleges, and forged a 'guaranteed admission' compact with San Diego State University. In addition, Karl focused on ensuring that each child felt valued and a sense of connectedness to the CHS community, programs, and staff.

Mr. Mueller began serving as principal at Canyon Crest Academy (CCA) in the San Dieguito Union High School District in 2013. During his tenure at CCA, Karl supported a growing enrollment (from 1750 to 2500 students), facilitated engaging professional development experiences for staff in both CCSS and NGSS, developed a 'Raven Wellness' program and curricula that focuses on the health and balance of all members of the CCA community, and established meaningful relationships with staff, parents, and students.
