

Our Kids Need You!

Please sponsor 1, 2 or 3 students this year as a parent, grandparent, or neighbor.

Dear Community Leader and CSF Friend,

Coronado Schools Foundation (CSF) supports our schools by bridging the gap between the funding the schools receive and the funding our public schools need to achieve academic excellence. The Local Control Funding Formula (LCFF), signed into law on July 1, 2013 by California's state legislature, left Coronado Unified in the lowest 8% of funding statewide. That leaves a \$1200 per student gap in this year's spending. Now more than ever, our schools are relying on the direct support of funds raised through CSF. Please give the highest level of support you can provide. Funds raised in this campaign will go towards the areas of greatest need in our schools.
